Flagstaff Parks, Recreation & Open Spaces Master Plan

We want to hear from you!

How do Parks & Recreation programs and facilities contribute, *or how could they contribute*, to green infrastructure and quality of life in Flagstaff?

The City of Flagstaff Parks & Recreation Services is updating Flagstaff's Parks, Recreation and Open Spaces Master Plan.

The Master Plan will identify, make recommendations and set a direction for new facilities, programs and services for the next decade and beyond.

Please join us for a presentation and focused group discussions.
